“Your new home
for English”

MAKE OUR HOMES YOUR SCHOOL

As I sit down to write this...

I can reflect on the development of LLE over the past 20 years from a handful of teachers providing homestay and tuition in Bristol, to a UK-wide network of professional English teachers who can deliver a huge range of courses to every type of language learner from young children to executives.

This growth has occurred naturally and organically as students have returned from their stays and spread the word amongst family, colleagues and friends. Teachers too, have recommended us to other teachers and we are fortunate to be able to work with wonderful families offering first-class hospitality, giving their time and attention so that every student has the best possible experience.

The LLE team in Bristol works exceptionally hard to ensure we offer an individual, bespoke service, backed up by quality processes that allow us to achieve our values and ensure you are supported at every stage of your journey with us from your initial enquiry through to booking, your arrival and your course in the UK.

I am immensely proud of the feedback we receive which demonstrates that we can deliver the courses that you really need and the difference that we have made to people's lives – helping you progress in your education and career and in some cases providing life-changing experiences.

We hope to have the opportunity to offer you a unique and world-class educational experience.

Your Stay

“Study with a teacher in over 500 amazing locations.”

A Wide Variety of Locations

You can choose to study with a teacher in the city, in the countryside or by the sea.

We can offer courses in major cities such as Bristol, Manchester, London and Liverpool; in fashionable coastal towns such as Brighton and Bournemouth or peaceful countryside villages set in national parks or by the coast.

Please state your preferred location on the booking form or let us advise you of the most suitable teacher and location according to your preferences.

“Our stay was perfect because we had a lot of activities and our teacher was amazing. We can now speak real English!”

“A very productive immersion. The family was great, we had lots of fun, I worked hard and made good progress in a very pleasant atmosphere. I just want to come back next year!”

Lessons

The lessons will consist of a range of all skills (reading, writing, listening, speaking, vocabulary, grammar and pronunciation) and culture according to your language learning needs.

Usually the tuition is in the morning, leaving the afternoons and evenings free for activities, visits and excursions or private study. At the beginning of the course, the teacher will assess your level of English and requirements, and plan a programme of study. You will be assessed again at the end of the course to record progress. A full report of lesson content, achievement, and recommendations for future study will be sent to you after the end of the course, as well as your certificate. The great advantage of this programme is that you live in the home of your teacher, so that learning doesn't stop at the end of the lesson. In every conversation your teacher is helping you to speak English – finding the right words and correcting grammar and pronunciation.

Family Time

Time spent with your family during meals and evenings is a good opportunity for you to practise your spoken English and to use the language you have studied in the lessons.

You can learn as much during these times as you do in your lessons! Living with your teacher also gives you a unique opportunity to experience and learn about UK culture and way of life.

“My trip was a perfect combination of learning the language and a cultural journey that allowed me to meet new places, new customs and new people.”

Travel

A local transfer from the nearest bus or train station to your teacher's home is FREE. If you are a fairly confident traveller, it is easy to get from the airport to the teacher's home town by bus (www.nationalexpress.com) or by train (www.nationalrail.co.uk).

Airport Transfers: If you require a personal airport transfer, we can arrange this with either your teacher or one of our highly trusted taxi drivers – the cost will be advised at the time of booking and is dependent upon the distance from the airport to the teacher's home.

Arrival at your teacher's home should be scheduled for Sunday afternoon/evening (3pm to 9pm) and departure on Saturday morning (9am to 12pm). Transfers can be arranged for flights arriving/departing during these times. Any flights outside these times will incur an additional charge or we may recommend a hotel stay prior to arriving at or departing from your teacher's home.

Please note that all Young Learners are required to book a transfer service with LLE.

Young Learners under 14

In addition to English tuition and the usual LLE excursion programme, Young Learners aged 10 to 13 have daily activities in the home such as baking, crafts or projects to ensure their time is fully supervised by the teacher.

These daily activities are included in the course fees for students aged 10 to 13 but may also be purchased as an additional package for students aged 14 to 17 on Young Learners 1:1 courses.

Students on a Summer 2:1 course may share a bedroom with their partner.

Summer 2:1 courses are General English courses. If you have a specific individual requirement for your course e.g. exam preparation or advanced English, please book a 1:1 course.

English for Parent and Child

						AGE
15 - 30 hours per week	3 - 6 hours per day	2:1 1:1	Start any Sunday	1 - 52 weeks	Elementary - Advanced level	7+

Enjoy a study course together

This is a General English course specially designed for a parent and child who want to enjoy a study holiday together. You can either study English separately (1:1 course) or together if you have the same level of English and learning objectives (2:1 course). We recommend 15 or 20 hours' tuition per week in total and these

may be shared lessons or divided between parent and child. The minimum age we can accept a child for tuition is seven. If your child is under seven then they may come as an accompanying child without tuition. In some locations we have two teachers available for 1:1 lessons for parent and child at the same time.

“It was great to be able to travel and study together with my daughter.”
